

Jason A. Ciccotelli, PT, DPT, CWS

Department of Physical Therapy, University of Nevada, Las Vegas
4505 Maryland Parkway, Box 453029, Las Vegas, Nevada 89154
702-406-6108, jason.ciccotelli@unlv.edu

Education

	University of Nevada, Las Vegas – Las Vegas, Nevada	2015-Present	PhD in Interdisciplinary Health Sciences (Rehabilitation Sciences)
DPT	University of Utah – Salt Lake City, Utah	2007-2010	Doctor of Physical Therapy
BS	Brigham Young University – Provo, Utah	2001-2007	Exercise Sciences

Licensure

- Nevada State Board of Physical Therapy Examiners, License #2440

Certifications

- Certified Wound Specialist (2014)

Employment

August 2016 – Present	PT Instructor (part-time) – Department of Physical Therapy, University of Nevada, Las Vegas 4505 Maryland Parkway, Box 453029, Las Vegas, Nevada 89154
April 2015 – Present	PTA Instructor – Pima Medical Institute, 3333 E. Flamingo Road, Las Vegas, NV, 89121
Feb 2014 – Dec 2017	Physical Therapist (part-time) – Optimum Home Health,
Feb 2014 – March 2016	Physical Therapist (part-time) – Desert View Home Health
Jan 2012 – April 2014	Anatomy Instructor (part-time) – College of Southern Nevada,
May 2010 – Oct 2013	Physical Therapist Kindred Healthcare, 2832 South Maryland Parkway, Las Vegas, NV 89119 and 2550 E. Flamingo Road, Las Vegas, NV, 18119

Peer Reviewed Scientific and Professional Presentations

- **Ciccotelli J, Lee S, Damele M, Gross R, Robina R.** Lower Back Pain and Muscle Performance in Individuals with Lower Limb Loss. Poster presentation for CSM 1/2019

Non-Peer Reviewed Presentations

- “Motor Learning” PTA 202 (Pima Medical Institute) – 7/2018
- “Motor Learning” PTA 202 (Pima Medical Institute) – 8/2017
- “Motor Learning” PTA 202 (Pima Medical Institute) – 1/2017
- “Venous Insufficiency Ulcers” DPT 757 Lecture (UNLVPT) – 11/2015
- “Venous Insufficiency Ulcers” DPT 757 Lecture (UNLVPT) – 11/2014

Funded/In Review Grant Activity

- none

Current/Active Research Activity

- **Ciccotelli J, Lee S, Hill S, Leonard S, Trujillo L.** The reliability of the Lateral Reach Test in Unilateral Transfemoral Amputees. UNLVPT Student Opportunity Award. 2018-2019. \$400

- **Ciccotelli J**, Lee S, Damele M, Gross R, Robina R. Lower Back Pain and Muscle Performance in Individuals with Lower Limb Loss. UNLVPT Student Opportunity Award. 2017-2018. \$1,370

Membership in Scientific/Professional Organizations

- Member American Association of Anatomists (2018)
- Member Education Section of the American Physical Therapy Association (2017 to present)
- Member Federal Physical Therapy Section of the American Physical Therapy Association (2016 to present)
- Member Clinical Electrophysiology and Wound Management Section of the American Physical Therapy Association (2015 to present)
- Member Research Section of the American Physical Therapy Association (2015 to present)
- Member Nevada Physical Therapy Association (2015 to present)
- Member American Physical Therapy Association (2015 to present)

Continuing Education Attended (last 5 years)

- American Association of Anatomists Regional Meeting, Hamilton, Ontario, Canada, November 9-10, 2018
 - Saturday, November 10, 2018: "A century of Virtual Reality in Anatomy Education"
 - Saturday, November 10, 2018: "Adapting to Change in Anatomy Education; The North American Perspective"
 - Saturday, November 10, 2018: "Striking-Out Injury: Biomechanics Based Approaches for Body-Region Specific Risk Assessment in Work and Sport"
 - Saturday, November 10, 2018: "X-Anatomy: The Efficacy of Extended Reality Systems in Anatomical Education"
- American Physical Therapy Association Combined Sections Meeting, New Orleans, Louisiana, February 21-24, 2018 – 16 hours
 - Wednesday, February 21, 2018: "Early Career Scientist Workshop" Preconference course
 - Thursday, February 22, 2018: "Enhancing Amputee Mobility Using Feedback-Based Training and Wearable Tech"
 - Thursday, February 22, 2018: "Wound Evaluation for the Non-Wound Care PT, Part 1"
 - Thursday, February 22, 2018: "Wound Treatment for the Non-Wound Care PT, Part 2"
 - Friday, February 23, 2018: "I Want to Present a Poster or Platform at CSM, Now What?"
 - Friday, February 23, 2018: "Diabetic Peripheral Neuropathy: Electrodiagnosis, Assessment, and Plan of Care"
 - Friday, February 23, 2018: "Wound Healing 101: Dressings and Modalities"
 - Saturday, February 24, 2018: "Conducting Rigorous, Interdisciplinary Clinical Trials in Rehabilitation"
 - Saturday, February 24, 2018: "Partnering with Informatics to Enhance Participant Recruitment for Trials"
- American Physical Therapy Association Education Leadership Conference, Columbus, Ohio, October 14-16, 2017 – 8 hours
 - Friday, October 13, 2017: "Disruptive Innovation in Physical Therapy Education: Why a Shift in Focus is Essential to Add Value to the Emerging Health Care System?"
 - Friday, October 13, 2017: "PTA Educators SIG"
 - Friday, October 13, 2017: "Student Readiness: Working with the Challenging or Exceptional Student"
 - Saturday, October 14, 2017: "Pathways to the PhD: The Future of the Academy"
- 2017 UNLVPT Lecture Presentation: "Pain, The Brain and Neuroplasticity" – 8 hours

- American Physical Therapy Association Combined Sections Meeting, San Antonio, Texas, February 15-18, 2017 – 12 hours
 - Thursday, February 16, 2017: “Clinical Electrophysiology and Wound Management Platform Presentations”
 - Thursday, February 16, 2017: “Acute Rehabilitation of Person With Lower Limb Amputation”
 - Thursday, February 16, 2017: “Holistic (Whole-Person) Care of the Patient with a Wound”
 - Friday, February 17, 2017: “Clinical Connection: Integument and Pharmacologic agents”
 - Friday, February 17, 2017: “Challenging Traditional Education Views With a 2-Year DPT Model”
 - Friday, February 17, 2017: “Managing the Recreational Runner from Head to Toe”
- American Physical Therapy Association Combined Sections Meeting, Anaheim, CA, February 17-20, 2016 – 16 hours
 - Thursday, February 18, 2016: “Clinical Electrophysiology and Wound Management Platform Presentations”
 - Thursday, February 18, 2016: “Using Evidence for Effective Exercise Prescription in Individuals With Knee Osteoarthritis”
 - Thursday, February 18, 2016: “The Role of Physical Therapists in Wound Management”
 - Friday, February 19, 2016: “Transitioning the Injured Runner Back to the Road and Track”
 - Friday, February 19, 2016: “Diabetic Foot Ulcers: Clinical Practice Guideline Update”
 - Friday, February 19, 2016: “Practical Gait Analysis and Retraining Methods for the Injured Runner”
 - Saturday, February 20, 2016: “Science Meets Practice: Running”
 - Saturday, February 20, 2016: “Pressure Ulcers: Treatment, Pressure Management, and 24-Hour Positioning”
- Team Outcomes and Prosthetic Practices (TOPP) Workshop, Las Vegas, NV, May 4-5, 2016– 4 hours
- The Role of the Physical Therapist in the Management of Patients at Risk For Wounds, APTA Learning Center, July 11, 2015 – 3 hours
- Wound Treatments and Dressing Options, July 10, 2015 – 2 hours
- Lower Extremity Prosthetic Training Part 1- Therapeutic Exercises and Activities for the Person with Amputation, July 10, 2015 – 2 hours
- Lower Extremity Prosthetic Training Part 2- Gait Training and Outcome Measures for the Person with Amputation, July 10, 2015 – 2 hours
- Lower Extremity Acute Management and Pre-prosthetic Training, July 10, 2015 – 2 hours
- Lower Extremity Prosthetic Components, July 9, 2015 – 2 hours
- Pressure Ulcers: Prevention and Treatment, May 30, 2015 – 2 hours
- PT Wound Care Certification Course, September 2013 – July 2014 (self-study) – 15 hours

Current Teaching Responsibilities in the Entry-Level DPT program at UNLV

- Summer
 - DPT 744 – Gross Human Anatomy I
 - DPT 744L – Gross Human Anatomy I Lab
 - DPT 745 – Gross Human Anatomy II
 - DPT 745L – Gross Human Anatomy II Lab
- Fall
 - DPT 757 – Wound Care
- Spring
 - DPT 750 – Prosthetics and Orthotics (team teaching)

Current Teaching Responsibilities in the Entry-Level PTA program at Pima Medical Institute

- Semester 1
 - BIO 100 – Anatomy and Physiology I
 - CLE 120 – Law and Ethics
- Semester 2
 - BIO 109 – Anatomy and Physiology II
 - PTA 120 – Introduction to Kinesiology
- Semester 3
 - PTA 200 – Kinesiology
- Semester 5
 - PTA 208 – Special Topics
